# New Attraction Soars Like An Eagle

## Big Bear's Soaring Eagle Offers Families A New Adventure

**A**lpine Slide at Magic Mountain's newest attraction is the Soaring Eagle. This one-of-a-kind ride is not seen anywhere else in California. The Soaring Eagle is a family-friendly, dual seated zipline ride that gives guests the sensation of flying high above Big Bear's snow-covered forest floor.

The Soaring Eagle is designed for all ages (must be at least 42 inches tall to ride). It can carry two riders at a time on comfortable side-by-side seats equipped with safety buckles. This exhilarating amusement style ride is 500-feet long with a 100-foot vertical drop.

The Soaring Eagle starts at the base of Alpine Slide at Magic Mountain, and lifts riders backwards on a zipline cable to a 70-foot tall launch tower that is situated on a hillside. The backwards ride to the towering peak is a delight in itself offering spectacular views of Big Bear Lake and surrounding mountain vistas.

Once the Soaring Eagle reaches the top, it pauses for a brief moment so riders can take in the unsurpassed beauty below. The most exciting part of the ride is when it catapults forward at speeds up to 26 mph, on a 100-foot long vertical drop, that travels 500 feet back to the base.

"The Soaring Eagle is on a zipline cable. However, it's different from traditional harness-style ziplines. It maintains the same excitement as traditional ziplines, but provides flying with the greatest of ease for two people at a time," said Alpine Slide at Magic Mountain Manager Julie Eubanks. "The main advantage of course is it gives guests outstanding views of Big Bear valley."

The Soaring Eagle is open all-year round (weather-dependent). Riders must be at least 42" tall to ride. Riders 42" to 48" must be accompanied by an adult 18 years or older. Maximum weight for an individual cannot exceed 300 lbs., and maximum combined weight of two riders cannot exceed 450 lbs. The cost is \$12 per person, per ride.

Alpine Slide at Magic Mountain is normally open all year long and looks forward to welcoming guests once again in the future.

# Reach New Heights At The Exciting Big Bear Ropes Course

**A state-of-the-art aerial adventure in the mountains**

**B**ig Bear Lake introduced a new recreation feature that reaches new heights with a high-octane obstacle course that towers 35 feet off the ground! Big Bear Ropes Course is a state-of-the-art aerial adventure designed to give families an exhilarating yet challenging experience all bundled into one.

Big Bear Ropes Course is far from an ordinary family day at the park. Instead, this two-story obstacle course that spires high above Big Bear allows participants of varying ages, from young children to adult, to face an array of challenges and features.

There are a variety of suspension bridges, some with wide-open gaps, some with nothing but two-inch round cables to scramble across, yet another that overhangs on a curving structure with dangling ropes to grasp onto.

All in all there are 37 different obstacles on this towering two-level ropes course. There is even an airborne element added to the equation for those who wish to experience the joy of flying. The Sky Rail Zipline stretches 80 feet and bananas out onto a ledge, enhancing the overall excitement.

"Nothing but thrills! We're bringing a whole new excitement to Big Bear. Think American Ninja Warrior or The Titan Games, but on a family-friendly level that is especially designed for kids," said Big Bear Ropes Course Manager Shannon Wilson. "Best of all, our ropes course is engineered to ensure the highest standards of safety."

While some features teeter and other features wobble, participants need not fret about falling, because they're at the

utmost level of protection. Each participant is fully secured on Big Bear Ropes Course's advanced safety system, which includes a five-point, full-body harness connected to a safety line, with a slider puck that is inserted into a continuous belay track system. Each participant is fully secured at all times from start to finish. The slider puck can only be inserted or taken out of the track by a certified operator at the entrance and exit of the ropes course.

There are certified operators on the ropes course at all times in case any participant requires assistance.

Big Bear Ropes Course is normally open all-year round (weather-dependent). Participants must be at least 42" tall. Participants 42" to 48" must be accompanied by an adult 18 years or older. Maximum weight for an individual cannot exceed 300 lbs.

For more information call (909) 585-0075 or visit [BigBearRopesCourse.com](http://BigBearRopesCourse.com). 

## Big Bear Ropes Course

**The cost is \$12 per person, per 20 minute session. Guests are encouraged to call ahead for operating hours, as operating hours change throughout the year.**

**Big Bear Ropes Course is located at 42825 Big Bear Blvd. (the same location as Big Bear Speedway / Big Bear Snow Play).**

## Temecula Valley Balloon & Wine Festival Rescheduled to Sept. 25-27

Due to the unprecedented outbreak of COVID-19 (the Coronavirus), the Temecula Valley Balloon & Wine Festival (TVBWF) has been rescheduled to September 25-27, 2020.

"While we remain hopeful that the drastic moves made by our state and local governments will curtail the outbreak, the health and safety of the community, Festival guests, participants, and partners is our number one priority," stated the Festival's executive director Stacey Ellison. "It is out of an abundance of caution that we are rescheduling the 2020 event to September. The Temecula Valley Balloon & Wine Festival will return to its traditional dates for 2021."

The event is held each year at Lake Skinner Recreation Area in the heart of Southern California Wine Country. The event includes sunrise hot air balloon launches, evening balloon glows, concerts on two stages, and tastings of wine, craft beers, mead and local distilled spirits.

For more information and updates regarding the rescheduling, visit [www.tvbwf.com](http://www.tvbwf.com) or the Festival's Facebook Page at [www.facebook.com/TVBWF/](https://www.facebook.com/TVBWF/)
