Snow or Not, Here We Come

Take advantage of the snow at Big Bear Snow Play and Alpine Slide at Magic Mountain, two tubing areas in Big Bear Lake. No Snow? No problem, they've got plenty of warm weather fun too.

Alpine Slide at Magic Mountain

Alpine Slide is 1/4 mile west of the Village shopping area. Call (909) 866-4626 for information.

Big Bear Snow Play

On Big Bear Blvd. three miles east of Alpine Slide next to Motel 6. Call (909) 585-0075 for information.

Snow, snow and more snow ... at least as of press time! The white stuff adds up to tons of fun at Big Bear Lake's two inner tubing areas, Alpine Slide at Magic Mountain and Big Bear Snow Play. And after the snow goes away, the two sites have other attractions to offer.

With deep snowpacks, expect Alpine Slide and Big Bear Snow Play to offer inner tubing excitement through Easter, maybe beyond. Non-snow attractions include their signature bobsled-like ride where you descend down two quarter-mile long cement tracks aboard sleds with ball-bear-

ing wheels that you control. Alpine Slide also offers Putt 'N Around Go-Karts and an 18-hole miniature golf course.

Alpine Slide and Big Bear Snow Play are both open daily from 10am to 4pm. Tubing sessions cost \$25, which includes Magic Carpet uphill lift pass and tube rental. After dark on Fridays, Saturdays and holiday periods at Alpine Slide, the lights come on as the stars come out for popular night sessions. Night sessions are held 5-9pm and cost \$15.

For more information, call (909) 866-4626 or go online to www.alpine-slidebigbear.com.

FESTIVALS

San Bernardino celebrates 200 years

It's a bicentennial bash, and it's time
to party, again and again ...

San Bernardino is celebrating its 200th birthday with a series of celebrations beginning in early May. The party kicks off with the "Celebrate America" concert and dinner by the San Bernardino Symphony Orchestra on May 1 at the California Theatre of Performing Arts followed by the San Bernardino Railroad & Bicentennial Celebration held on May 8 and 9 at the Santa Fe Depot that will feature the Santa Fe 3751 Steam Engine along with vendors, food, music, antique cars and a visit from the Harvey Girls.

Mark your calendar for May 15 for the Bicentennial Gala, featuring delectable food paired with magnificent wine at this black-tie-optional extravaganza held at the National Orange Show Events Center with live entertainment and dancing.

Join the Mayor as he runs for the 200th on May 16 at the Arrowhead Credit Union Park then head over to the Western Region Little League Stadium at 3pm for the Festival of Faiths.

The fun continues at the Bicentennial Parade and Celebration on May 22 beginning in Meadowbrook Park. Throughout the day there will be food, merchandise vendors and a mini-carnival. At 4pm the parade begins at 7th and "E" Streets. Following the parade, the floats will be on display as the festival continues through 9pm.

You won't want to miss *San Bernardino's Got Talent*, an American-Idol-like competition in June. The Bicentennial Extravaganza and Fireworks on July 4 at the Arrowhead Credit Union Park is the place to be for live music and entertainment, great food, and a spectacular fireworks display.

Go to www.sb200.org for details, tickets, and more information on San Bernardino's rich history and bright future. **IER**

'Hitler's Vengeance Weapon' at Living History Flying Event

Featuring the British Gloster Meteor Mk. IV jet fighter and the German V-1 "Buzz Bomb's" pulse jet engine, "Hitler's Vengeance Weapon" will be the subject of the monthly Living History Flying Event hosted by Planes of Fame Air Museum at the Chino Airport on Saturday, May 1. The event will begin at 10am with a seminar describing the use of Germany's pulse jet-powered V-1s against Britain and the British use of the Meteor jet fighters against the "Buzz Bombs," and conclude with a member-supported warbird orientation flight in the Planes of Fame Air Museum Cessna L-19 Bird Dog.

Near the end of World War II, jet propulsion was in its infancy. Countries such as Germany, Britain, the United States, Italy, Japan and Russia had begun to experiment with various forms of jet propulsion, including turbojet, rocket and pulse jet concepts, for both aircraft and guided missiles. But, only Germany managed to employ all three types of jet propulsion in combat before the end of the war, though Britain did deploy a small number of Gloster Meteor jet fighters against Germany in the last months of the war. In fact, the only jet versus jet combat that actually took place during World War II was the British use of Gloster Meteor jet fighters against the pulse jet-powered German V-1 "vengeance weapons."

Planes of Fame Air Museum is open to the public every day, except Christmas and Thanksgiving, from 9am until 5pm. General admission is \$11, youngsters 5-11 are admitted for \$4 and admission is free for accompanied children under five.

For more information, call (909) 597-7576 or visit the museum's website at www.planesoffame.org. 

The British Gloster Meteor IV jet fighter will be displayed during the Planes of Fame Air Museum May 1 Living History Event.

>> Understanding Water Pollution...

When we park, our vehicles and trucks can dribble motor oil, fuel, anti-freeze and transmission fluids onto driveways, streets and parking lots. Rain, leaking garden hoses, wastewater or over-irrigated lawns mix with these automotive fluids and other pollutant forms. Pollutants such as pet waste, trash, cigarettes, pesticides, green waste, paint, and construction debris are moved by wastewater flows into gutters, then empty into the nearest storm drain with a final discharge to a neighboring

river, lake, stream or creek...harming sensitive aquatic and wildlife sanctuaries.

Please repair leaking vehicles, don't over irrigate lawns, pick up pet waste, use trash cans, use chemicals sparingly and discard them properly. Remember, everything that enters into the storm drain ends up in our rivers, lakes and streams!

ILLEGAL STORM DRAIN DUMPING:

Toll Free at 1-800-506-2555 or by website, www.rcflood.org or e-mailing flood.fcnpdes@co.riverside.ca.us

▼ RIVERSIDE PUBLIC UTILITIES

Ensuring Everyday Reliability

From Riverside Public Utilities

Each day, more than 300,000 customer-owners of Riverside Public Utilities wake up with electric alarm clocks, turn the lights on, take showers, flush toilets, water lawns, and make coffee without even thinking about their water and electric services. They just expect them to be there.

For us, this is the simple and true definition of reliability. It is the catalyst that drives us forward. And, it is our constant goal in making sure that we are providing the City of Riverside with the highest quality, safe, and reliable water and electric services at the lowest rates to benefit the community.

In order to achieve this goal, our "Reliability Technicians" work tirelessly behind the scenes to ensure that the City of Riverside continues to run 24-hours a day, seven days a week.

These men and women are the water system pipefitters and power line workers. They are the water quality testers and substation electricians. They are the workforce that helps to maintain, upgrade, and repair Riverside's water and energy delivery systems.

And they are always in demand. Despite the economic downturn, more of these specialized utility jobs are becoming available as the current skilled workforce is reaching retirement age.

Without training a new workforce today, there will be fewer workers who will know how to maintain our important utilities infrastructures tomorrow. **Find out how you can become a Riverside Public Utilities' Reliability Technician at RiversidePublicUtilities.com.** 

Cabot's Pueblo Museum celebrates sustainability

The office of Assemblyman V. Manuel Perez, the City of Desert Hot Springs and the Cabot's Pueblo Museum Foundation announce the first annual **Earth Fest at Cabot's** to take place at the Cabot's Pueblo Museum grounds on Saturday, April 24, 9am to 6pm.

Under the theme "A Celebration of Sustainability," the festival will feature an all-star musical line-up with surprise guests to be announced, an interactive family area, organic and ethnic cuisine and more. The festival will also showcase environmentally friendly products, groups, and activities. An art show featuring prominent desert area artists will include a pit firing pottery demonstration by renowned potter Tony Soares and adjudication of a local student art project sponsored by CREEC.

The purpose of the Festival is to celebrate Mother Earth, educate and inform desert residents about sustainability and to showcase local businesses, artists, musicians and earth-friendly resources.

Festival organizers are extending an invitation to local artists to participate. A limited number of artist booths are available. Find an application online at www.cabotsearthday.org

Earth Fest at Cabots is produced in conjunction with the desertECOLUTION Green Business Networking Group, supporter of the BALLE Network. This event is a major fundraiser for Cabot's Pueblo Museum Foundation, a "Riverside County Point of Historical Interest." All net proceeds benefit the Cabot's Pueblo Museum restoration efforts.

The event is free with a request of a suggested donation to benefit Cabot's Pueblo Museum. For more information, go online to www.cabotsearthday.org or call (760) 315-7416. **IER**

BICENTENNIAL BEAUTIFICATION CONTEST

The City of San Bernardino invites residents to participate in a citywide beautification contest during the month of April as part of the Bicentennial Celebration. Projects for the contest include property repairs, painting, landscaping or cleaning up a piece of property.

The Bicentennial Celebration Committee will award plaques to the winners in various categories. All who submit a project will be entered into an opportunity drawing with a chance to win one of many prizes.

"We're very excited about giving our residents a chance to make a difference in the city and take part in the Bicentennial celebration in this way," Jean Bulinski, co-chair of the Bicentennial Beautification Committee, said.

"The city is holding a year-long party and inviting thousands of guests," Bulinski continued, "and this is a way for residents to help our guests feel more welcome."

Individuals, businesses and organizations throughout the city can submit "before" and "after" photos of a project. Entries must include two dated street-view photos of the property before the project and two dated photos of the completed project from the same location. Entries must be received at the Mayor's Office or emailed to beautification@erinbrinker.com by 4pm, April 26. Winners will be announced at the end of April.

ings, provides resources and information to parents, teachers, and professionals, as well as individuals with dyslexia and learning disabilities. IEB/IDA is one of 47 IDA branches nationwide and is an organization of volunteers recognized as a 501(c)(3) non-profit organization.

Between 10%-15% of the population suffers from learning disabilities. Of those, approximately 70% have some form of dyslexia. Dyslexia is the most common cause of reading, writing and spelling difficulties. Dyslexia is a specific learning disability that is neurological in origin, not a disease or a sign of poor intelligence, laziness or lack of caring. One of the greatest problems is the reduced self-esteem caused by "feeling dumb" when a student does not learn like his peers. With proper diagnosis, appropriate instruction, hard work and support, individuals who are dyslexic can succeed in school and become successful adults.

Understanding Water Pollution...

When we park, our vehicles and trucks can dribble motor oil, fuel, anti-freeze and transmission fluids onto driveways, streets and parking lots. Rain, leaking garden hoses, wastewater or over-irrigated lawns mix with these automotive fluids and other pollutant forms. Pollutants such as pet waste, trash, cigarettes, pesticides, green waste, paint, and construction debris are moved by wastewater flows into gutters, then empty into the nearest storm drain with a final discharge to a neighboring river, lake, stream or creek....harming sensitive aquatic and wildlife sanctuaries!

PLEASE repair leaking vehicles, don't over irrigate lawns, pick up pet waste, use trash cans, use chemicals sparingly and discard them properly. Remember, everything that enters into the storm drain ends up in our rivers, lakes and streams!

E-Z ways to report illegal storm drain dumping:

- Toll Free at 1-800-506-2555 or
- By website, www.rcflood.org or

Still Rockin'!

Pat Benatar and Neil Giraldo perform at Riverside's Fox Performing Arts Center

More than two decades ago, Pat Benatar began breaking rules and blazed a new trail for female rock stars. Pat was bold, self-assured, and independent. She was alluring but not exploitive. She was vulnerable but not weak. She was strong-minded without being hardhearted.

Songs such as "Love Is a Battlefield," "Hit Me With Your Best Shot," "We Live For Love," and "Heartbreaker" became anthems for a new attitude. At the dawn of MTV, Benatar was the image of the female rocker for an entire generation of young women, and the young men who loved them. That generation has grown up with her and others have walked down the path she helped pave.

Still going strong, Benatar has been married for 23 years to guitarist, songwriter producer, collaborator and soul mate Neil Giraldo. Giraldo has been teamed with his wife since the launch of her career. A talented artist, writer and producer, he has helped mold her unique sound and has worked with a variety of other artists as well.

The parents of two daughters, Pat and Neil have been touring almost non-stop for over two decades. That tour comes to Riverside on April 15 as Pat Benatar and Neil Giraldo perform live at the Fox Performing Arts Center. Tickets are available at ticketmaster.com, Ticketmaster outlets and the Riverside Municipal Auditorium Box Office.

In August 2003 Benatar released her first album of new songs in seven years titled "GO," on Bel Chiasso Records, distributed through the Welk Music Group. Benatar says it's a "contemporary guitar-driven record."

"I like it; it sounds like us, but in the natural

Pat Benatar (above) and Neil Giraldo (right) have been making chart-busting music together since the '80s. They perform live in Riverside on April 15.

progression of where we should be," Benatar said.

Benatar is acknowledged as the leading female rock vocalist of the '80s. Of the nine original albums released between 1979 and 1989, seven were certified platinum and two went gold. During that decade, she was nominated nine times for Grammy Awards for Best Rock Performance (female), winning an unprecedented four Grammy Awards in consecutive years. Benatar has also won three American Music Awards. One of the most popular performers in rock, she is also one of the most recognized and admired.

In 1991, Benatar fashioned, ahead of its time, the retro-swing effort "True Love" (1991). Pat successfully modernized her sound for the critically acclaimed "Gravity's Rainbow" (1993) while continuing to tour with

Fleetwood Mac, the Steve Miller Band and others.

In 1997, Pat released "Innamorata" (CMC International), her first original album in four years.

Over the last couple years Benatar has been busy in front of the camera appearing in cameo roles in several hit TV shows including WB's *Charmed*, ABC's *Dharma and Greg* and on the Fox series *That 80's Show*. Her story has also been featured on shows like *A&E Biography*, Lifetime's *Intimate Portrait* and on VH-1's hit series *Behind The Music*.

Celebrating dance diversity at Chaffey

The Chaffey College Dance Department presents its annual spring dance concert showcasing the choreographic and dance-performing talents of faculty, Chaffey dance students, and guest performers celebrating the diversity of dance with a high energy mix of jazz, ballet, contemporary ballet, modern dance, tap, hip hop, musical theatre, and ballroom. With a cast of over forty dancers, this year's concert, *Expressions 2010*, will prove to be a dynamic and exciting performance that offers a bit of everything for everyone with a well-paced range of dance styles.

Michele Jenkins, the artistic director of the production, choreographed nine of the dance works including a contemporary dance parody of *The Nutcracker* with traditional Tchaikovsky music mixing satire and political commentary; a film-noir style contemporary piece combining balletic fluidity and modern eccentricity to music from David Lynch's *Lost Highway*; a campy take on American society and stereotypes in a modern dance piece,

American Composite, a funky, high-energy dance work exploring spatial design and geometric uniformity to music by Rodrigo y Gabriella; and an "All That Jazz" extravaganza from the musical, *Chicago*.

From BJ Brasier, Chaffey hip hop and social dance adjunct instructor, comes a lyrical hip hop piece exploring love, loss, and human relationships, as well as a fiery Latin ballroom dance of passion, and murder-mystery intrigue set to music by Michael Jackson. Chaffey's advanced tap students offer a powerful tap piece of unpredictability and deeply-grounded style, and student choreographer, Andy Carballo, adds to the mix with a themed modern dance examining life's passages through intense athleticism and rhythms. Returning are choreographers Jennifer and Lisa Burton with a quirky, abstract contemporary jazz piece set to music from the soundtracks of *Sherlock Holmes* and *The Book of Eli*, and guest choreographer, JoJo Mrgich, presents an eclectic, myth-inspired modern work with a gender role-reversal theme.

Photo by Kristine Rodgers

Guest artists include San Francisco-based choreographers/dance artists Alex Jenkins and Brian Gibbs, Envy Dance Company featuring Brandon J, and solo dance artists Liane Adamo-Mancini and Alisa Suderman.

Expressions 2010 runs April 29, 30, and May 1 at 7:30pm and May 2 at 2pm. Chaffey College is located at 5885 Haven Ave. in Rancho Cucamonga. Tickets are \$12. Call Chaffey College Box Office at (909) 652-6067 for ticket information and purchases. **IER**

'The Pirates of Penzance' sail into Performance Riverside April 23

The *Pirates of Penzance* shines with the full glory of Gilbert and Sullivan at its hilariously swashbuckling best, and is performed this month by Performance Riverside. A rollicking band of pirates, a bevy of giggling maidens and their "very model of a modern Major-General" father along with a dashing pirate apprentice, a fading nursemaid and a bunch of blundering policemen are the key ingredients for the charmingly ridiculous plot.

Frederick, son of a wealthy 19th century man, was to be apprenticed to a pilot, yet due to a hard-of-hearing nursery maid, was instead apprenticed to a pirate. His love for sweet, innocent Mabel, and his devotion to his pirate family leave this poor "Slave of Duty" split right down the middle. Great fun, sidesplitting laughs, and

bombastic vocal performances have made this a favorite of audiences worldwide for over 125 years.

Penzance is directed and choreographed by Bart McHenry, with music direction by David Lamoureux.

All performances are at Landis Performing Arts Center at 4800 Magnolia Avenue in Riverside. For more information and to purchase tickets contact the Landis Box Office at (951) 222-8100, or explore Performance Riverside's website at www.performanceriverside.org. **IER**

Sinfonia Mexicana features world's greatest mariachi

Sinfonia Mexicana presents *Concierto Para Las Madres* at 7pm on Saturday, May 8, at the beautiful and historic California Theatre of the Performing Arts, 562 W. 4th Street, in San Bernardino. Headlining the concert is Mariachi Vargas de Tecalitlan. An added attraction is a special performance by Sinfonia's Youth Academy.

Mariachi Vargas de Tecalitlan, the "world's greatest mariachi," was formed in 1898 by four visionary and intuitive musicians. The mariachi was led by Gaspar Vargas who not only gave his name, but more importantly, his inner strength and devotion making him and his mariachi become part of the Mexican way of life. From the 1920s to the 1940s, under the direction of his son Silvestre, Mariachi Vargas rivaled the most popular orchestras by employing the newness of the Tecalitlan sound. Utilizing ten elements, guitarron, vihuela, guitarra, guitarra de golpe, harp, four violins, and trumpet, Silvestre Vargas popularized and transformed the Jaliscan sound with original arrangements and

interpretations. This was the realization of the second generation.

In 1937 Mariachi Vargas recorded their first phonograph record and appeared in the first of nearly 200 motion pictures, "Asi es mi Tierra." By the end of the decade, they had signed an exclusive contract with RCA Victor. The box office success of films in which mariachi accompanied singer idols continued to grow, setting the stage for such artists as Amalia Mendoza, Jose Alfredo Jimenez and Miguel Aceves Mejia, all of whose careers were linked to their association with Mariachi Vargas de Tecalitlan.

No one imagined that the first International Mariachi Conference in San Antonio, Texas in 1979, featuring Mariachi Vargas de Tecalitlan, would signal the birth of a movement. Mariachi festivals and conferences in the States have proliferated since and Vargas has always been their most prestigious headliner.

Established in February 2009, middle and high school students of the Mariachi Youth

Academy are instructed by Grammy recipient Cindy Shea, founder and director of Mariachi Divas, at the Sturges Center for the Fine Arts in San Bernardino. In addition to performing in several Sinfonia Mexicana programs, the group has performed at the House of Blues in Anaheim and placed third in the Battle of Mariachi Bands in San Juan Capistrano in June 2009.

Riverside Youth Theatre Celebrates 10th Season

RYT presents two musicals:
Joseph and the Amazing Technicolor Dreamcoat and *The 25th Annual Putnam County Spelling Bee*

Debbie Wolgemuth, Artistic Director

Riverside Youth Theatre is proud to celebrate its 10th season of providing family-friendly theater performances for Inland Empire youth! A part of the celebration is presenting two musicals, *Joseph and the Amazing Technicolor Dreamcoat* and *The 25th Annual Putnam County Spelling Bee*, in preparation for its upcoming May performances.

Joseph and the Amazing Technicolor Dreamcoat is the biblical story of Joseph, betrayed by his jealous brothers, sold into slavery, taken to Egypt, perseveres through wit and faith to become the #2 governor of Egypt. Riverside Youth Theatre's production features 60 students combining song, dance and color to encourage and entertain

the audience.

RYT's production of *The 25th Annual Putnam County Spelling Bee* is the Inland Empire amateur premiere of this musical straight from Broadway. *Spelling Bee* is a hilarious tale chronicling the experience of six adolescents vying for the spelling championship of a lifetime. They learn that winning isn't everything and that losing doesn't necessarily make you a loser.

Performances will be held at the Wallace Theatre, on the campus of California Baptist University, at 8432 Magnolia Avenue in Riverside. Parking is free at the university. Tickets are \$12 for all ages and can be purchased online at www.RiversideYouthTheatre.org. There is also a 10am Outreach

Performance of *Joseph and the Amazing Technicolor Dreamcoat* with discounted tickets at \$6.

Performance dates for *Joseph and the Amazing Technicolor Dreamcoat* are May 7 at 10am, and May 8, 15, 16 at 3pm.

Performance dates for *The 25th Annual Putnam County Spelling Bee* are May 7, 8, 13, 14, 15 at 7:30pm.

CLASSICAL Banning

Mozart presented by Pass Chorale

The Pass Chorale 2010 Spring Concert features music by Wolfgang Amadeus Mozart. The beautiful "Exultate Jubilate," K. 165, solo motet for soprano and orchestra, will be sung by Rebecca Tomlinson, voice faculty member at California State University, San Bernardino. The motet has three movements, the last of which is the famous "Alleluia."

Mozart's last master-piece, the Requiem, K. 626, was still unfinished when he died at the age of 35. At his death he was working on the Requiem and his sister-in-law later reported that his last conscious moments were spent telling his student, Franz Sussmayr, how to complete the work. His last movement was "an attempt to express the drum passages with his mouth." The Requiem was made popular by the award-winning film, *Amadeus*.

Soloists for this performance are Rebecca Thomlinson, soprano, Danielle Perault, alto, Andrew Crane, tenor, and Monty Joham, bass. The soloists, Pass Chorale Orchestra are directed by Ernest Siva.

The Pass Chorale is a community chorus serving the San Geronio Pass area and is a 501-c-3, public benefit organization. All donations are tax deductible.

The concert takes place May 16, at 2:30pm, at Our Savior's Lutheran Church, 1320 W. Williams St., in Banning. Tickets are \$15 for adults, \$10 for seniors and students. For more information, go online to www.passchorale.blogspot.com. **IER**

'Odd Couple' takes to the Big Bear stage

CATS, The Community Arts Theater Society in Big Bear, presents the classic comedy *The Odd Couple* for a 10 performance run at the Big Bear Lake Performing Arts Center.

Written by Neil Simon in 1965, *The Odd Couple* remains hilariously timeless as a stage play and has become an American classic. It is one of the few hit Broadway plays that successfully transcended into a long-run television sit-com, a movie and a movie sequel. Over the decades, "Felix and Oscar" and "the odd couple" have become common terms for quirky character traits and mismatched personalities in our daily vocabulary.

Local favorite John Grandi takes the stage as the unkempt Oscar with local TV personality John Wells as the neat-nick Felix.

Grandi is well known for many onstage CATS roles, as well as his previous outings as Oscar, first in 1998 and then in 2000.

Rounding out the cast are other CATS veterans: Jim Weyant as Speed, Steve Combs as Murray, Jan Janofsky as Vinny,

Bob Butkus as Roy, with Elena Peavy and Elaina Winters as the free-spirited Pigeon Sisters.

Karen Sargent Rachels directs and produces, with Joanne McMaster as set designer, Priscilla Anderson as costume designer, Donna Fisch as assistant to the producer, Karen Bergmann assistant to the set designer and funds coordinator, set construction headed by Dennis Brown and Bill Ferguson, program ads by Gloria Meade, Carlin Harris, stage manager, and Sharon Hendricks, production assistant.

The Odd Couple shows at 7:30pm on March 26, 27, 31, April 2, 3, 7, 9, and 10 with matinees at 1:30pm on March 28 and April 11. Depending on performance date and seats chosen, reserved tickets range from \$12 to

A scene from the CATS production of "The Odd Couple."

\$25 for adults, \$11 to \$23 for seniors and \$9 to \$18 for students and kids under 18. Tickets can be purchased at the Box Office at (909) 866-4970 or through the CATS website at www.bigbeartheater.org.

So Cal singer Colbie Caillat to 'Fall for You' at Fantasy Springs

Colbie Caillat may just be the quintessential southern California singer/songwriter. Her laid-back, yet melodic and fun love songs, have exploded onto radiowaves and electronic music players in recent years, and she has already had two Grammy awards to her name. Colbie Caillat's song "Fallin' For You" off of her August 2009 album release *Breakthrough* is heard often on top 40 radio stations.

Now this award-winning singer/songwriter from right here in southern California comes to Fantasy Springs Resort Casino. Colbie Caillat performs at the resort/casino's Special Events Center on Saturday, April 10 at 8:pm. Tickets are \$29-\$49 and may be purchased in person at the Fantasy Springs Box Office, via telephone at (800) 827-2946 or online at www.FantasySpringsResort.com.

Since releasing her debut album, *Coco*, in 2007, Colbie Caillat has enjoyed worldwide success. Her first album

produced chart-topping hits such as "Bubbly," "Realize" and "Little Things." Just more than a year after the release of *Coco*, the album had nearly gone double platinum. In an interview with *USA Today* she said, "[my] songs are optimistic and bright. I grew up in southern California and Hawaii. The lifestyle was laid back and I listened to mellow, positive music, like Bob Marley and Jack Johnson. So I think that's all inside me. I'm happy, and that gets expressed in my music."

More of that positivity came out in Caillat's second album, *Breakthrough*. Caillat called upon friends and fellow songwriters Kara DioGuardi (from *American Idol*) and Jason Reeves for assistance on *Breakthrough*, which paid off in the form of the hit song and current radio staple "Fallin' For You." She and singer Jason Mraz recorded a duet called "Lucky" for which they won a Grammy Award in 2010. Caillat has toured with *The Goo Goo Dolls*, *Lifehouse* and *John Mayer*. **IER**

Snoop Dogg and comedian Mike Epps hit the Fantasy stage

The original d-o-double-g, Snoop Dogg, and comedian Mike Epps, will take over the Fantasy Springs Resort Casino's Special Events Center on Saturday, May 1 at 8pm. The pair, who recently recorded a unique comedy album together, will appear on stage separately, though Snoop Dogg may help out on some jokes and Mike Epps may give an assist or two on some of the rapper/singer's hit songs.

Tickets for this one-of-a-kind show are \$69-\$89 and may be purchased at the Fantasy Springs Box Office, by telephone (800) 827-2946 or online at www.FantasySpringsResort.com.

Snoop Dogg burst onto the west coast music scene in the early 1990s after getting discovered by rapper and producer Dr. Dre. After collaborating with Dr. Dre on his

popular album, "The Chronic," Snoop Dogg released his first solo album entitled "Doggystyle." The album rose the charts, eventually going quadruple platinum. Since then, Snoop has released nine other albums and starred in more than 30 movies and television shows.

Mike Epps began performing standup comedy as a teenager and in 1995, began touring in the hugely successful "Def Comedy Jam." He also made it onto two of the "Def Comedy Jam" broadcasts. After appearances in a Vin Diesel movie called *Strays* and on an episode of "The Sopranos," Epps was cast opposite Ice Cube in the comedy movie *Next Friday*.

Snoop Dogg

Since then, Epps has racked up numerous other movie credits including *The Fighting Temptations* with Beyonce and Cuba Gooding, Jr., *Resident Evil: Apocalypse*, *Resident Evil: Extinction* and more. **IER**

Earth, Wind and Fire bring all the elements of a great concert to Fantasy Springs

With more than 90 million albums sold worldwide, you could say *Earth, Wind and Fire* is one of the most recognizable bands with some of the most enduring songs on the planet. The band has 10 Grammy Awards to their name, four American Music Awards and have been inducted into both the Rock and Roll Hall of Fame and the Vocal Group Hall of Fame.

Earth, Wind and Fire fans can get ready because the band makes a much anticipated stop in the Palm Springs area on Friday,

May 14 at 8pm. The band will rock the Fantasy Springs Special Events Center with their extensive horn section, precise vocal arrangements and the sound of the kalimba that *Earth, Wind and Fire* has made their own. Tickets are \$39-\$59 and may be purchased in person at the Fantasy Springs Box Office, via telephone at (800) 827-2946 or online at www.FantasySpringsResort.com.

Virtually no party with dancing and fun is complete without an *Earth, Wind and Fire* song being played at least once. Throughout the 1970s, the band churned

out hits inspired by funk, jazz, African, soul, pop and rock music. Their first number one hit in the United States was "Shining Star" in 1975. More chart toppers such as "Got to Get You Into My Life," "Boogie Wonderland" and "Let's Groove" followed. The band has enjoyed a heavy touring schedule since the 1980s, playing to sold out audiences around the world. Earlier this year, EWF performed at an exclusive governors dinner at the White House, hosted by President Barak Obama and First Lady Michelle Obama. **IER**

Fantasy Springs launches new website with social media features

In our technology-driven world, it becomes increasingly difficult for a company's Internet presence to stand out from the rest. Fantasy Springs Resort Casino's web developers undertook that challenge for the last six months. The resort/casino recently rolled out its all-new website and it can be seen at www.FantasySpringsResort.com.

Site visitors are met with smooth graphics that fly across their screen to form seven images of what they can expect to find at the resort, ranging from dining to golf to entertainment. Below the interactive icons, Fantasy Springs website users will find links to the resort's social networking sites including Facebook, Myspace, Twitter, Flickr, and YouTube. Through these channels, followers and fans get up-to-the minute news and information about things going on around Fantasy Springs. The resort's social networking users often have opportunities to participate in contests to win valuable prizes.

Also new to the Fantasy Springs Resort Casino and its golf course, Eagle Falls, websites is the ability to make restaurant reservations and tee times online. Diners looking to ensure they receive a reserved table simply visit the "Dining" area of Fantasy Springs'

site and follow the simple instructions through the Open Table system. Golfers wanting to set up a tee time just need to register once on www.EagleFallsGolf.com and pick the day and time they want to hit the links. **IER**

Lucky High Desert man says winning machine called to him

Frank Paganelli from Joshua Tree came to Fantasy Springs Resort Casino on Sunday morning, March 21 to watch his friends bowl at Fantasy Lanes. Frank says he loves to bowl, though had forgotten it could be boring watching others play.

After spending a few minutes at the lanes at Fantasy Springs with his friends, Frank wandered into the casino. He walked around for a minute and sat down at a \$0.50 IGT Wheel of Fortune slot machine.

"This one seemed to call to me," Frank said. "I had this weird feeling like I was going to win."

Whether his positive attitude transcended the slot machine reels or whether Frank was just extremely lucky, he says he will be living a bit more comfortably now. After playing the machine that beckoned him for only a few minutes with \$5 inserted, the Wheel of Fortune symbols lined up across the center of the

screen and signaled that Frank won \$272,121.95.

"I couldn't believe it. I have never won anything remotely close to this amount of money before," Frank said. "It won't change who I am or what I do, but it sure is nice. I'll pay off my house in Joshua Tree."

Frank is a luxury car parts wholesaler who assembles and disassembles autos, spends a lot of time at the gym and at the bowling alley near his house. He says he's extremely happy he let his friends talk him out of following his routine for the day and into coming to Fantasy Springs Resort Casino.

Fantasy Springs Resort Casino has paid out nearly \$33 million in jackpots since March of 2009.

Fantasy Springs is located off Interstate 10, minutes from Palm Springs and the Palm Springs International Airport.

Reservations open May 1 for an annual event at The Grove Community Church that will have your kids running. Race into games, music, crafts and discover God's Word in a whole new way. You won't want to miss out on any of the fun at the annual **Summer Splash** event at The Grove Community Church, reaching more than 900 children in the Inland Empire.

The Grove provides a safe and loving environment for your child. Each year the theme changes and this year's theme, "The Ultimate Race," is based on the life of Paul and our journey of running the race of life. The week long race culminates with an annual family night concert with world renowned children's artist Jana Alayra live in concert on Friday, July 9 at 6:30pm.

Summer Splash is for kids from third to sixth grade age, and runs 9am to noon, July 5-9. Registration is \$25 through June 6 and \$35 June 7-20. Space is limited so don't delay. For more information contact The Grove KIDS Quest ministries at (951) 571-9090 ext. 2425 or visit them on the web at www.thegrove.cc.
