# Concert series returns to downtown San Bernardino

**W**eekly family-friendly live concerts and entertainment is now scheduled every Friday from 6:30-9:30pm and every Saturday from 3:30pm-6:30pm through October 31, in downtown San Bernardino.

The free summer concert series kicked off before Memorial Day with Latin Society, a long-time favorite and well-known local band. Other live bands scheduled to appear include "Moe Betta Blues," "J.D. Priest," "Official Biz" with many more popular groups in the summer lineup. All concerts are held in the Pavilion at Court Street Square in the City's Civic Center downtown at Court and "E" Streets. Saturday's live entertainment also includes karaoke, wrestling and other special attractions. Food and beverages are available on site; no alcohol is allowed in this family-oriented community venue.

For a complete lineup of live performance dates through October visit their website: [www.courtstreetsquare.com](http://www.courtstreetsquare.com).

The weekly Community Concert series and live entertainment is presented by the Economic Development Agency (EDA) whose mission includes creating and supporting cul-

ture and the arts and enhancing the quality of life for the community. Court Street Square began as a community event gathering place in the 1990's as part of the Main Street downtown revitalization program, and is owned and operated by the City's Economic Development Agency.

The Economic Development Agency's Executive Director Emil Marzullo stated that "the summer concert series and weekly live entertainment was reinstated to provide a safe, wholesome and free family entertainment environment that mixes the generations with residents, seniors, visitors and the business community close to home. During these tight economic times, save the gas and 'think local' - spend more time with your family and get to know your neighbors and co-workers in a relaxed environment. Court Street Square reflects what our City's annual Route 66

Rendezvous signature event is all about - nostalgia and good times!"

The Court Street Square facility is also available as a private rental venue for concerts, fundraisers, talent shows, fashion shows, car/bike shows, award ceremonies, poetry readings, book signings, private picnics and reunions, anniversaries and weddings, etc. that includes a 22' x 37' stage area complete with stage lighting, grass and tree area, eleven picnic benches, seventeen 110 outlets, three 240 outlets, men and women's restrooms, two covered Pergola trellis areas, dance area and free parking. A rental information brochure is available upon request; for rental fees call the EDA.

For additional concert or Court Street Square rental information contact Mark Dean, EDA's Court Street Square Event Coordinator and Manager, at (909) 663-2266.

# Enjoy the Most Anticipated Patriotic Celebration of the year... 'Fourth at Fairmount'

By Natasha Ferguson

Riverside Downtown Partnership (RDP) and the City of Riverside Parks, Recreation and Community Services Department (PRCSD) are gearing up for the biggest patriotic celebration of the year — "Fourth at Fairmount." Last year, approximately 6,500 attendees enjoyed this annual celebration and attendance is expected to double this year.

Fourth at Fairmount is a community event that is free and open to the public. A full fun-filled day of festivities will be enjoyed by all, beginning at 10am continuing until 10pm including live entertainment with musical performances by oldies/rock 'n roll bands "The Night Tides" and "Orange Colored Sky." There will also be arts and craft vendors, food vendors, a children's fun zone with a giant obstacle course, a rock climbing wall, games, balloon and face painting artists and much more. Fourth at Fairmount features one of the most spectacular aerial firework displays in the region, shot directly over Fairmount Lake on the beautiful grounds of Fairmount Park located at 2601 Fairmount Blvd. off Market Street in Riverside. The fireworks will begin promptly at 9pm.

With the high cost of gas, families will be looking for a safe and fun place to celebrate this July 4th holiday close to home. Fairmount Park offers lots of shade trees, grassy areas and picnic tables, ideal for families to camp out all day and enjoy. Festival attendees are encouraged to bring their own blanket or lawn chair for the grass area. Early arrival is strongly suggested in order to get a good spot!

Attendees are allowed to barbecue utilizing the grills that are within the park. Outside grills are allowed in designated areas only. No alcohol is permitted on the park grounds.

For further information call (951) 781-7335, (951) 826-2000, or visit [www.RiversideDowntown.org](http://www.RiversideDowntown.org).

# Twain's America revisited at 'Jubilee'

Tales of life on the river, jumping frogs, hot air balloons

and the arrival of a small town circus can be lived first hand this Father's

Day weekend when the 32nd Annual Huck Finn Jubilee rolls into Victorville.

During the three-day festival, which runs June 13-15, families can whitewash fences, build river rafts and climb a greased pole. Nearly all 1880's style contests are free to enter, and winners receive not only bragging rights, but ribbons too!

In a return visit from Hannibal, Missouri, Tom and Becky help select a boy to be Huck during Saturday's Huck Finn look-a-like contest. The threesome then assist in running activities which continue through Sunday and Injun Joe's Treasure Hunt. Kids can also join the antics of the Russell Bros. Circus, learn how to make rope and enter a "Kid Picker's" jam camp in the Mountain Man village.

On Main Stage, Mark Twain Live is presented through the considerable talents of Mike Randall.

He travels from New York to spin tales of Tom and Huck, bad habits, political elections, and a famous frog from California on Friday at 9pm.

More than 30 hours of bluegrass and country music continue with Grammy award winning artists like Dan Tyminski (of O' Brother Where Art Thou?), Blue Highway and the National Bluegrass Playoffs on Saturday.

The Nitty Gritty Dirt Band (of Mr. Bojangles) then offers a musical journey down the by-ways and gravel roads of Middle America which inspired its landmark album Will The Circle Be Unbroken. The band performs Father's Day at 6pm.

There's a Route 66 car show, where a People's Choice award goes to the classiest pre-1973 show car arriving on Saturday and Sunday.

The California State Arm Wrestling Championships test the strength and technique of nearly 100 contestants on Saturday at 12 noon.

There's also a cow chip throwing contest and hot air balloons offer rides that overlook the park's two man-made lakes and campgrounds.

The Nitty Gritty Dirt Band plays on Father's Day, 6pm.

The 800-acre Mojave Narrows Regional Park is located at 18000 Yates Road, surrounded by woods, meadows and lakes along the Mojave River. It offers camping, horseback riding and fishing for an outing suitable to the likes of Tom Sawyer and Huck Finn.

Food and crafts villages offer meals and shopping. Parking and admission for children younger than 6 years is free. Youth 6 years to 12 years are \$5, general admission is \$15-\$20. For camping and schedule of events, call (951) 341-8080 or log onto [www.huckfinn.com](http://www.huckfinn.com).

# Fine Arts kicks off 14th summer lineup

**T**his summer F.A.N. (Fine Arts Network) kicks off their 14th summer with a line-up of entertaining productions. GALA, June 6-8, 5pm, is the opening summer event supporting The Fine Arts Ballet Company. The event includes a three course dinner at Baily's Front Street Bar and Grill in Old Town Temecula, dessert at the Old Town Temecula Community Theatre (OTTCT) courtyard and a dance program that includes the 1 Act ballet, *Les Sylphides*, pieces from *Don Quixote* and original choreographic works set to classic rock.

The summer theatrical season gets into full swing on Father's Day weekend with 2 shows whose titles reconfirm what every man knows. The first, "I Love You, You're Perfect, Now Change," opening on June 20 through Sunday, June 22 (preview night with reduced seat tickets is June 19). The tagline for the show is, "Everything you have ever secretly thought about dating, romance, marriage, lovers, husbands, wives and in-laws, but were afraid to admit."

While every man knows about "being perfect and then the requirement to change," most men

are equally familiar that "Real Women Have Curves." This is certainly true of the second summer production opening June 27-29 (preview night is June 26). "Real Women Have Curves" is a dramatic comedy that will keep you in stitches. Josefina Lopez writes the stories of five full figured Latina seamstresses who try to meet an impossible production deadline while hiding from the INS. The play is set in a tiny dress factory in East Los Angeles and celebrates the power of real women and the incredible bond that happens when women work together, as well as the timeless contribution of Latinos to the U.S.

The third show of the season, with performances on July 8 and 9 only, features the Inland Valley Opera performing Giuseppe Verdi's tragic opera, *Rigoletto* in English. The Inland Valley Opera is comprised of local operatic artists and guest performers from LA Opera, Opera Pacific and San Diego Opera. Members of the Inland Valley Symphony, under the baton of Dr. Jeanine Trent, comprise the opera orchestra. *Rigoletto* is the tragic story of a hunchback court jester who falls prey to his master's wicked prank. Secrets and seduction soon form a deadly combi-

nation, and a courtier's curse is realized when *Rigoletto* discovers that his treasured daughter has sacrificed herself for the love of his tormentor.

Moving into the home stretch of summer, Temecula Performing Arts Company presents *Cabaret*, a musical with a book by Joe Masteroff, lyrics by Fred Ebb, and music by John Kander. Set in 1929-1930 Berlin on the eve of the Nazi's rise to power, it focuses on nightlife at the seedy Kit Kat Klub and mostly revolves around the English 19-year-old cabaret performer Sally Bowles and her relationship with young American writer, Cliff Bradshaw.

The last show of the season is the musical, *Les Miserables*, composed by the French composer Claude-Michel Schönberg with a libretto by Alain Boublil. Set in early 19th century France, it follows the intertwining stories of a cast of characters as they struggle for redemption and revolution.

All shows are performed at Old Town Temecula Community Theatre (OTTCT). Go online to [www.temeculatheater.org](http://www.temeculatheater.org) for tickets. For more information or package pricing call (866) 963-7262.

## Let Polaris be your guide!

Many people think that Polaris, the North Star, is a very bright, if not one of the brightest, stars in the sky. They assume this brightness is why we use Polaris to help us navigate the night sky. Polaris is actually a middle-bright star, easily missed among its much more dazzling neighbors. Its perceived position in the sky, from where we stand on Earth, makes it an important tool for navigating the night sky.

The Earth spins on its axis like a top, completing one revolution every 24 hours. The two points where this axis meets the Earth's surface are identified as the North and South Poles. If you were standing anywhere on Earth below the polar region and observing the stars, they would appear to rise in the east and set in the west. If you were standing at the polar region, the stars would never seem to "set." They would appear to spin around a fixed point in the sky. Polaris is that point and appears directly above the Earth's North Pole.

SkyQuest Public Programs at the MSAS Astronomy Village in June will cover more about navigating the night sky: June 7, "Summer Constellations," and June 28, "The Planets of Our Solar System." Programs include an entertaining slide/lecture, question and answer period, laser tour of the night sky, and a visit to the Robert Brownlee Observatory to look at some celestial objects. The programs begin at 8pm and end at 10pm.

Visit [www.mountain-skies.org](http://www.mountain-skies.org) for more information, or call (909) 336-1699. MSAS Astronomy Village is located off State Hwy 18 next to Rim of the World High School. Turn in at the yellow overhead light and follow the signs.

Mountain Skies Astronomical Society is a non profit, public benefit corporation and is supported exclusively by private donations, program and gift shop revenues. MSAS is not affiliated or associated with any commercial business that attempts to replicate its presentations or programs.

# Bobsledding in the mountains

**S**peeding down the long straightaway, the rider leans in anticipation of the upcoming high-banked turns. The sled is but a blur as it whips through the maze of turns and enters another straightaway.

A scene from the Winter Olympic Games? Hardly, though these riders do experience many of the same gravitational forces athletes do. These are the individually controlled Alpine Slide bobsleds in beautiful Big Bear Lake, which allow riders of all ages to taste Olympic bobsledding.

Way more than an amusement park ride, riders get to control how fast -- or slow -- they go as they descend two quarter-mile long tracks. These sleds never need snow because they have teflon runners and ball-bearing wheels, and by applying brake or letting the sleds roll, guests make their own adventure. Lean into each turn and tuck through the straightaways for aerodynamics and you'll go fast; be liberal with the brake handle and sit upright, and go slow.

No two trips down are ever quite the same,

and the Alpine Slide experience is a completely unique one, since there isn't another ride like it in California. From the chairlift ride to the top filled with panoramic views of almost-full Big Bear Lake, to the exhilarating ride down, Alpine Slide bobsleds are an interactive experience. While anyone can ride the sleds, skill does matter—the more you ride, the better you get.

Alpine Slide rides are \$4 each, or \$18 for a five-ride book. The area is open weekends till June 7, then daily through summer.

Alpine Slide is also home to a double water slide. Two side-by-side flumes filled with cool, cascading water take riders through a maze of twisting turns and straightaways, before dumping them out in the solar heated pool at the bottom.

Water slide rides are inexpensive—a buck each, ten for \$8, or an all-day pass costs just \$12. A great way to beat the heat, and parents who don't want to play don't have to pay to get in, unlike most water parks. Spread a blanket out on the grass or take a seat on two outdoor

decks and read a book while the kids have at it.

Alpine Slide at Magic Mountain also features Putt 'N Around go-karts and an 18-hole miniature golf course, filled with water hazards, breaking greens and "sand traps."

New Can Am go-karts sport 5.5 horsepower Honda motors and a slew of safety features.

Alpine Slide is 1/4 mile west of the Village shopping area, home to 60 specialty stores. For more information, call (909) 866-4626.

## A summer camp in history

This summer, have your kids live a portion of history in a unique day camp in Oak Glen. Riley's Farm opens its new Summer Day Camp June 3 for youngsters ages 6 to 14. Situated in beautiful Oak Glen, near Yucaipa, Cherry Valley and Beaumont, Riley's Farm sees over 80,000 school children a year in their living history field trips. Now Inland Empire kids can spend an entire summer week on the farm Monday through Friday, with programs starting as early as 7:30am and ending as late as 5pm.

Summer Day Camp is a safe, fun and educational way for kids to spend their summer while mom and dad are at work. "This program was born of a need," Riley's Farm V.P. Brandon Ryder said. "Children get out of school for the summer, and parents are looking for a way to use their time wisely."

At Riley's Farm Summer Day Camp, children will go on nature hikes, meet characters from history, feed farm animals, learn skills like butter churning and paper making, play old fashioned games like graces and trap ball, go fishing, pick berries and more. For about the same price as day care, kids get to spend the summer learning from friendly, knowledgeable "Living Historians," who have worked with students year round.

The standard program (9am – 3:30pm) starts at \$225 per week and the extended program, with meals (7:30am – 5pm) is \$360 per week. Discounts are available for multiple week tuition and for early-bird admission.

For more information visit [www.rileysfarm.com/sc/](http://www.rileysfarm.com/sc/) or call (909) 790-TIME (8463) and ask for Jan Them.

# Meet the air commandos

**A**ir Commandos will be the subject of the monthly special event hosted by Planes of Fame Air Museum at the Chino Airport on Saturday, July 5. The program will begin at 10am with a seminar describing the history of United States Air Commando operations and conclude with a flight demonstration by the Planes of Fame's rare North American P-51A Mustang, one of the first combat airplanes used by the Air Commandos.

The history of the U.S. Air Commandos dates back to the establishment of the 1st Air Commando Group in India on March 2, 1944. Initially, the 1st Air Commando Group provided logistical and combat aerial support to Allied commando ground forces, known as "Chindits," operating deep behind the Japanese lines in Burma. Disbanded on October 8, 1948, the Air Commandos were revived in April 1981 to counter Soviet-sponsored insurgents around the world. Today, the U.S. Air Force Special Operations Command employs 9,500 commandos to provide support where

required with special infiltration helicopters, transport planes, aerial refueling aircraft and aerial gunships.

The very first permanent air museum in the American West, Planes of Fame Air Museum was also a pioneer in the concept of restoring historic display aircraft to flying condition. Staffed primarily by a core of dedicated volunteers, Planes of Fame supports its daily operations with admission fees, donations, facilities rentals and proceeds from the use of its aircraft in various productions.

Planes of Fame Air Museum also has a special membership program available to the public, with one of the advantages of membership being the opportunity to experience the thrill of orientation flights in genuine warbirds. At each monthly special event, members in attendance, including last-minute sign-ups, can have their names entered into a free drawing for a member-supported warbird orientation flight.

Planes of Fame Air Museum is open to the

public every day, except Christmas Day and Thanksgiving, from 9am until 5pm. General admission is \$11, youth 5 - 11 are admitted for \$4, and admission is free for accompanied children under 5.
